## **RESIDENCE LIFE**

### **RESIDENCE ADVISORS (RA)**

A Resident Advisor (RA) is students hired to help with any housing or interpersonal problems that residents may encounter in the absence of the RLF and Security. ***RA's hours end at midnight. If you need assistance after hours call Security.*** RA's assume a role of leadership in all aspects of residence life. They have a variety of job duties including organizing social activities, resource person, removing recyclables, maintaining clean kitchen area, RA's will deal with their fellow students with honesty, courtesy, and respect. I RA's are individually and collectively responsible for the maintenance of a positive residence community.

Female RA's cover female dorms; male RA's cover male dorms. In the absence of an RA, all RA's are able to cover for each other. This ensures that an RA is accessible to all residents at all times. RA's can be easily contacted on through texting, cell numbers are posted in the common areas. RA's personal room have a white board where contact information is posted and updated. If you have a problem that needs attention in the absence of RLF or Security, you may contact an RA.

### **CLEANLINESS AND JANITORIAL SERVICES**

Cleaning services are provided each weekday morning for the public areas of the residence; including lounges, entrances, stairwells, hallways, washrooms, and garbage pick-up. Students are expected to do the cleaning of their own

rooms and to put their garbage outside their room each morning for removal. Vacuum cleaners are supplied by the Residence Office for student use and are kept within common areas, one per building.

***Janitors are responsible for general cleaning only as noted above. They are NOT responsible for cleaning microwaves, fridges, countertops, convection ovens. This is the responsibility of residents. Clean as you go. An RA will ensure cleanliness is upheld.***

Residents are collectively expected to keep shared residence areas clean. Failure to do so will result in cleaning charges and/or further action as deemed appropriate by Residence staff. If a janitor has to be called in to clean, residents will be charged the cost of extra janitorial service.

A fridge/freezer, convection oven and/or microwave is available in the kitchens of all residence buildings; there is also a BBQ area in the common outdoor area, for convenient shared use.

## **ROOM CHECKS**

Students are expected to maintain the cleanliness and orderliness of their individual rooms at all times. Residence staff may hold ***Health and Hygiene Room Checks*** with appropriate posted notice to students. If a room does not meet the expectations of the Residence Staff or if at any time an extreme mess is identified or odor permeates from a room, a room check will occur. If further issues continue a letter will be sent advising that your room will be subject to a Health and Hygiene Check. It is your responsibility to ensure your room is clean and fresh by the time identified or you may be subject to action at the Residence Office discretion. Student cleanliness in both common areas and individual rooms is of utmost importance in healthy group living environments.

The College does **not** allow goodie bags to be suspended from windows, people climbing through windows, jarring open of doors. It is unsightly, unhealthy and unsafe. Residence staff will check daily and students found at fault will be disciplined.

## ENTRY OF ROOMS

The College recognizes the private and personal nature of our residents' rooms. The right of individuals to protection from intrusion by College personnel is priority, except under the following circumstances:

- a) When residence staff have regular room inspections for fire, health, and safety hazards (with posted notice being given).
- b) If necessary repairs are thought to be needed in the room.
- c) If there is reason to believe that an emergency situation exists within the room.
- d) On admission of a roommate.
- e) When Residence or Security staff have reasonable grounds to suspect that there are violations of residence rules or policies occurring within the room. Under these circumstances the Residence Life Facilitator and Security will knock, announce their intention to enter, and proceed to enter the room.

## LAUNDRY

A washer and dryer are located in each kitchen of each building. These machines are free of charge, but remember to bring your own laundry detergent. The laundry machines are only to be used between 8 am and 11 pm in an effort to respect quiet hours. For sanitary reasons, remove all clothes from the kitchen area immediately.

Occasionally the RLF facilities. Residents will

will require use of laundry be notified.

## MAINTENANCE AND REPAIR

Residents are required to report any concerns and requests for maintenance or repair for assigned rooms as well as common areas to the Residence Office. This information will be relayed to our Facilities Maintenance team for appropriate action. If an emergency repair issue should arise outside of Residence Office hours, residents should notify a Residence Assistant immediately, or refer to the emergency contact information posted on residence bulletin boards. Failure to report a necessary repair or maintenance concern could result in preventable damage, which may in turn be charged back to residents.

## KITCHEN REGULATIONS

Students are required to clean up behind themselves after using the kitchen. This area is not covered by the janitorial staff. In order to maintain a hygienic and sanitary environment for food preparation and storage, the Residence staff enforces a strict set of rules within each kitchen area:

- 1) Dishes used in the kitchen must be marked with your name or room number, and all dishes should be **stored in your room**.
- 2) All dishes must be clean and out of the kitchen by 10:30 pm each night. Unclean dishes left anywhere in the kitchen after 10:30 pm **may be thrown away**.
- 3) Food stored within the fridge/freezer or on kitchen shelves **must be marked** with your name or room number.
- 4) All food and bags left on the kitchen countertops after 10:30 pm may be thrown away.

- 5) On the second Sunday of every month, the RA will check the refrigerator and freezer and ***empty for cleaning as necessary***. Unmarked foods will be thrown away.
- 6) The Residence Facilitator reserves the right to judgment and will discard any questionable items left in the kitchen upon inspections. ***The Residence Office will not be held accountable for discarded items.***

## CAFETERIA & BOOKSTORE CAFÉ, MEALCARDS

It is suggested that residents utilize the cafeteria for most meals, as our Residence kitchens are equipped for light meal preparation only. The cafeteria is open Monday thru Friday from 7:30 a.m. to 1:00 p.m. (the Cafeteria is closed for most of the summer months). The Bookstore Café is open until 9pm. Students are given the option of paying for their meals on a pay as you go basis or by purchasing meal cards in advance. The College offers a 5% discount on the purchase of meal cards valued at \$100.00 or more. Meal cards are much like a pre-paid debit card which may only be used in our Cafeteria. A balance is purchased and placed on the card, the card is then presented for each purchase and the balance declines. Cards may be re-loaded at any time, and unused balances are refundable at the end of the students' term. Menus are changed daily and are posted upon entering the Cafeteria.

A vending machine is available with pop and juice, and/or chips, located in the Trades (Waap Amgam) building and Administration (Waap Sa'mn) buildings.

## RECREATION

### CODE OF CONDUCT

The NWCC Student Residence is committed to ensuring that all members of the Residence Community are able to study and work in an environment of mutual respect, free from harassment and discrimination. The standards stated here strive to protect the well-being, safety and security of residents and contribute to a residence community that is conducive to academic success, personal growth and development. These standards are applicable on or about all residence property (which includes but is not limited to residence buildings, parking lots,

and surrounding grounds), and during all residence-related events, even if those events take place off campus property.

Living with others in residence is different from living in a private apartment or house. What you may feel comfortable with in private may not be safe or appropriate in a shared environment that has a mandate to support the College's academic mission. Our residence staff strives to uphold an environment that is conducive to learning. Students who feel they may be constrained by residence living are advised to find accommodation off campus.

If you have locked yourself out, or have temporarily misplaced your key report it to your RA, RLF or Security.

Residence keys are not to be duplicated. It is a serious breach of College Policy to loan your keys to another person. In addition, possession of a Master Key by an unauthorized student is a serious offense. Anyone breaching a key policy will be required to vacate the Residence immediately.

The fee for an overnight guest is \$25.00/night and must be cleared with the RLF. *The College reserves the right to refuse admittance to intoxicated people.*

## RESIDENCE DISCIPLINE PROCESS

When a violation of Residence standards is brought to the attention of the Residence Facilitator, he/she will ensure an investigation occurs and in deciding, when necessary, upon the appropriate consequence. Discipline in the Residence will be administered with the full awareness that consequences may lead to eviction from the Residence. Discipline will generally occur as verbal and written warnings, where repeated warnings for similar violations may be followed by eviction. It is also noted that the needs and rights of the other residents are usually interfered with by those who fail to observe Residence policies or standards. Disciplinary steps *at the discretion of the Residence Office and the Director of Ancillary Services* will be taken as necessary to ensure the safe, smooth and harmonious operation of the Residence for all concerned.

## PROBATION

A student may be placed on probation at the discretion of the Manager of Ancillary Services. Probation may be recommended by RLF on the basis of complaints against an individual by other residents or and security. A probationary status will be assigned in writing stating the reason(s) for the probationary status and the conditions under which the individual will be allowed

to continue in the residence. The written “probationary contract” will be signed by the Manager of Ancillary Services and the student, one copy remaining in the Residence Office, one copy given to the student, and when warranted one copy forwarded to the Registrar for inclusion in the student’s file. Refusal to sign a probationary contract will result in eviction from the residence.

## **SUSPENSION**

### **A) Overnight Suspension**

When circumstances warrant, a student may be ordered out of the residence overnight or over a weekend by Security until a thorough review can be undertaken by the Residence Facilitator. A written report of any such occurrence will be made for the Campus Manager and the Dean of Student Services.

### **B) Term Suspension**

A student may, for just cause, have his or her residence privileges suspended for any given length of time. This form of suspension may be used for chronic offenders who fail to meet probationary contracts or for more major offences which do not warrant total eviction.

## **EVICTION**

Eviction from the Residence will be determined by the Director of Ancillary Services. Eviction can immediately result from specific incidents such as tampering with fire alarms or safety equipment, threatening or harassing other students or college staff, participating in illegal activity, or non-payment of rent. Eviction could also result after a student has received repeated warnings for policy violations of lesser degrees, such as disregard of noise levels or visiting hour policies. Eviction may also occur due to any other incident which is considered to be intolerable or illegal and the College reserves the right to discretion on all matters.

Those who fail to move out within 24 hours of a suspension or eviction will have their personal belongings removed by the Residence and Security staff, of which will be placed in storage. Evicted students are allowed back into the residence only to collect their possessions and must be accompanied by Security or the Residence Life Facilitator, and will not enter the residence area for any other reason after eviction.

## APPEALS

Any student who feels that he/she has been subject to unjust disciplinary action within the Residence shall have the right to appeal to the Dean of Student Services **within 48 hours** of the disciplinary action. Such appeal must be in writing, and state all grounds on which the appeal is based. The decision of the Dean of Student Services is final. Any expense incurred from damage to a common area, damage/theft of equipment (vacuum, T.V., etc.), extra janitorial cleaning or any other reason where a charge is applied upon the Residence Office, the costs will be divided equally among all assigned students of the residence if the specific individual(s) responsible cannot be identified.

The insurance carried by the college CANNOT COVER the personal belongings of individuals living in the residence. Many students will likely find that their belongings are covered by insurance coverage on their permanent residence or that of their parents. All residents, especially those keeping items of significant value in the residence, are cautioned that the insuring of your belongings is your OWN RESPONSIBILITY – no responsibility will be assumed by the College.

## FIRE SAFETY

The College is required by the Provincial Fire Marshall's Act to conduct periodic fire drills. Students must take part in all fire drills. Participating in a drill will give you knowledge of what to do should an emergency occur. Drills combined with the use of heat detectors and audible fire alarms work to ensure the safety of all residents.

Tampering with fire alarms or fire safety equipment:

*It is an offence under the Criminal Code of Canada to make false alarms or tamper with fire safety equipment. Any person(s) found to be involved in such an act will be immediately evicted from the Residence, terminated from their college program, and charged under the Criminal Code. The College offers a reward of up to \$250.00 for new information leading to the arrest and conviction of any person(s) tampering with fire safety equipment.*

In the event of an intentional false fire alarm pull where the individual(s) responsible cannot be identified, the resulting response charge from the Fire Department and/or additional emergency services will be split back amongst all residents of the specific dorm.

## FIRE PROCEDURES

1. If you are the first person to sight a fire: **SHOUT LOUDLY: FIRE!**
  - a) Immediately sound the fire alarm in the building by activating the alarm.
  - b) Quickly vacate the building.
  - c) Report fire location to the Fire Department and any staff member.
2. Upon hearing the fire alarm *leave via the nearest exit, gather in meeting area.*
3. DO NOT ATTEMPT TO REMOVE PERSONAL POSSESSIONS! Many people have died trying to save "valuables".
4. NEVER RE-ENTER the Residence until cleared by Fire Officials and College Administration Staff.

## **EVACUATION**

***Every student must learn the evacuation process and know where your meeting area is in the event of an emergency talk with an RA, Security or RLF or any NWCC staff.***

## **UNLICENSED OR UNINSURED VEHICLES**

Any motor vehicle that is unlicensed/uninsured i.e. cars, trucks, trail bikes, snowmobiles, is **NOT** allowed on the College grounds. Fire safety and health reasons prohibit the storage of motor vehicle parts and/or motorcycles or bicycles in the residence buildings. Please note that any unsafe or hazardous use of a motor vehicle on NWCC property will not be tolerated. Proper discipline leading to eviction and/or police involvement will be considered.
